FIP Cape Town 2024

82nd FIP WORLD CONGRESS OF PHARMACY AND PHARMACEUTICAL SCIENCES

Dear Exhibitor

We're thrilled to invite you to an extraordinary event – the FIP World Congress, from September 1st to 4th, 2024, at Cape Town International Convention Centre (CTICC). This exclusive gathering is a chance for pharmacy owners and pharmacists to converge, gain insights, and shape the future of the industry.

Join us in positioning your brand prominently among eminent companies and individuals who are driving the industry forward. Your presence not only enhances the event but also elevates your brand's global stature. Our sponsorship packages offer dynamic marketing opportunities that spotlight your enterprise and products.

For bespoke needs or further insights, reach out to us at kallam@fpsevents.com or (00 44 (0) 07710 088710). Join us in this 'once in a lifetime opportunity' and become part of the league of esteemed sponsors and trade exhibitors.

Your Sincerely,

Carola Van Der Hoeff
COO

Once in a lifetime EVENT
CAPE TOWN. SOUTH AFRICA

The International Pharmaceutical Federation (FIP) is the global body representing over 4 million pharmacists and pharmaceutical scientists from 154 organisations worldwide

FIP 2024 - Your Host

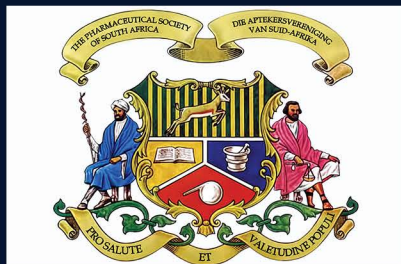

82nd FIP WORLD CONGRESS OF PHARMACY AND PHARMACEUTICAL SCIENCES

The International Pharmaceutical Federation (FIP) is the global body representing pharmacy and pharmaceutical sciences. Through our 154 national organisations, academic institutional members and individual members, we represent over four million pharmacists and pharmaceutical scientists around the world.

Founded in 1912, FIP is a non-governmental organisation with its head office in the Netherlands. Through our partnerships and extensive pharmacy and pharmaceutical sciences network, we work to support the development of the pharmacy profession, through practice and emerging scientific innovations, in order to meet the world's health care needs and expectations.

Supported by:

The Pharmaceutical Society of South Africa (PSSA) is the largest voluntary professional association for pharmacists and pharmacy support personnel in South Africa. It has over 12,000 members, including pharmacists, community service pharmacists, interns, pharmacist's assistants and pharmacy students.

The PSSA consists of four sectors, namely the Academy of Pharmaceutical Sciences of SA (APSSA), the South African Association of Community Pharmacists (SAACP), the South African Association of Hospital and Institutional Pharmacists (SAAHIP) and the South African Association of Pharmacists in Industry (SAAPI), and thirteen branches geographically distributed to cover all areas of the country.

ABOUT FIP World Congress

The FIP World Congress is held once a year in different locations around the world, allowing participants to experience different cultures and environments while engaging in continual professional development.

Location

Attendees

The congress attracts thousands of participants from various countries, including pharmacists, researchers, educators, students, and leading industry representatives.

The congress features a diverse range of presentations, including scientific sessions, workshops, poster presentations, and keynote speeches by experts in the field.

Presentations

Continuing Education

The congress offers opportunities for attendees to earn continuing education credits by attending various sessions and workshops.
